

FERRIS STATE UNIVERSITY

PLASTICS ENGINEERING TECHNOLOGY TRANSFER GUIDE FOR SCHOOLCRAFT COLLEGE

---

**Ferris Program:** Plastics Engineering Technology  
**Degree Type:** Bachelor of Applied Science  
**Ferris College:** College of Engineering Technology  
**Transfer School:** Schoolcraft College (SC)  
**Consortium Eligible:** No  
**Total Credits Required:** 132  
**Catalog Year:** 2024-2025

**GENERAL EDUCATION REQUIREMENTS – 46 Credits Required**

Students are encouraged to work with an advisor to select appropriate general education courses. Diversity Competency - 2 Courses Required. If not met by courses taken for Culture, Self and Society, or MTA, a student must meet the following: 1 course with the Global Diversity attribute and 1 course with the U.S. Diversity attribute.

Visit the Ferris State for more information.

**Communication Competency**

| Ferris Course | Ferris Course Title             | Ferris Credit Hours | Transfer Course |
|---------------|---------------------------------|---------------------|-----------------|
| COMM 121      | Fundamentals of Public Speaking | 3                   | COMA 103        |
| ENGL 150      | English 1                       | 3                   | ENG 101         |
| ENGL 250      | English 2                       | 3                   | ENG 102         |
| ENGL 311      | Advanced Technical Writing      | 3                   | No Equivalent   |

**Quantitative Literacy Competency**

Requirements for Quantitative Literary Competency can be met with the following:

- Official Pre-2016 Math SAT Score of 560 or Higher
- Official Post-2016 Math SAT Score of 580 or Higher
- Official Math ACT Score of 24 or Higher

Requirements for Quantitative Literary Competency can be met with the following:

- Official Pre-2016 Math SAT Score of 560 or Higher
- Official Post-2016 Math SAT Score of 580 or Higher
- Official Math ACT Score of 24 or Higher

| Ferris Course | Ferris Course Title | Ferris Credit Hours | Transfer Course |
|---------------|---------------------|---------------------|-----------------|
| MATH 120      | Trigonometry        | 3                   | MATH 119        |

**Natural Sciences Competency**

Two courses are required with a minimum of 6 credits: must have at least one lab course. The courses depend on chosen minor, please see your advisor prior to registering for courses.

## FERRIS STATE UNIVERSITY

| Ferris Course | Ferris Course Title                           | Ferris Credit Hours | Transfer Course |
|---------------|---|---------------------|-----------------|
| CHEM 121      | General Chemistry 1                           | 5                   | CHEM 111        |
| CHEM 211      | Fundamentals of Organic and Polymer Chemistry | 4                   | No Equivalent   |

### Culture Competency

Three courses are required with a minimum of 9 credits: must be from two different disciplines, have at least one 200 level or higher course.

| Ferris Course | Ferris Course Title | Ferris Credit Hours | Transfer Course |
|---------------|---------------------|---------------------|-----------------|
| Varies        | Culture Electives   | 9                   | Varies          |

### Self and Society Competency

Three courses are required with a minimum of 9 credits: must be from two different disciplines, have at least one 200 level or higher course, and at least one Self and Society Foundation course.

| Ferris Course | Ferris Course Title        | Ferris Credit Hours | Transfer Course |
|---------------|----------------------------|---------------------|-----------------|
| Varies        | Self and Society Electives | 9                   | Varies          |

### Additional General Education Requirements

These courses are additional General Education courses to meet the requirements for this specific program.

| Ferris Course | Ferris Course Title    | Ferris Credit Hours | Transfer Course |
|---------------|------------------------|---------------------|-----------------|
| PHYS 211      | Introductory Physics 1 | 4                   | PHYS 181        |

## COLLEGE REQUIREMENTS – 86 Credits Required

### Major Courses

60 Credits Required.

| Ferris Course | Ferris Course Title                         | Ferris Credit Hours | Transfer Course |
|---------------|---|---------------------|-----------------|
| PPET 100      | Survey of Plastics and Elastomer Technology | 2                   | PLAST 130       |
| PPET 115      | Plastics Product Manufacturing              | 2                   | PLAST 131       |
| PPET 127      | Introduction to Processing                  | 4                   | No Equivalent   |
| PPET 131      | Introduction to Robotics                    | 2                   | No Equivalent   |
| PPET 193      | Industrial Internship                       | 4                   | No Equivalent   |
| PPET 211      | Introduction to Injection Molding           | 5                   | No Equivalent   |

## PROGRAM CONTACT INFORMATION

Plastics and Rubber Engineering Technology Programs  
(231) 591-2640

(586) 445-7150

## ADMISSION REQUIREMENTS

### New Student Admission Requirements

- The Plastics Engineering Technology, BS degree is only open to students who meet the Transfer Student Admission Requirements below.
- High school students interested in this program may apply to the Plastics/Polymer Technology, AAS program.

### Transfer Student Admission Requirements

- Must have completed an Associate of Applied Science degree in Plastics/Polymer Technology
- 2.75 College GPA (on a 4.00 scale)
- Competency in MATH 120

## MORE INFORMATION

Select courses may be delivered online and/or in a mixed delivery format (i.e. a mix of online and face-to-face instruction at the Ferris Main Campus or at a statewide location).

To fulfill the residency requirement for a bachelor's degree a student must earn a minimum of 30 credits from Ferris State University.

## Steps to Apply

- Complete your .

# FERRIS STATE UNIVERSITY

- Submit official transcripts
  - Submit official transcripts from every school attended to
  - Or mail to:  
Ferris State University Admissions Office  
1201 S. State St., CSS 201  
Big Rapids, MI 49307
- Submit test scores (if required)
  - ACT Scores; go to the - Ferris State University School Code: 1994
  - SAT, CLEP and AP Sores; go to the - Ferris State University School Code: 1222

## Advising Notes

It is recommended that potential applicants meet with an advisor to review the degree, course schedule, transfer policies and have any questions answered prior to completing an application. Ferris accepts transfer courses in which the student earned a letter grade of "C" or better. Additional policies such as the Ferris Sunset and Residency Requirement should be discussed with a Ferris advisor. Students who are completing the MTA may have different general education course requirements for the particular degree selected.

Meeting with a Ferris advisor prior to the selection of general education or elective coursework may reduce the chance of completing a course that will not apply toward the selected degree. Students must work with their Ferris advisor to declare a Minor or Concentration and for the selection of Directed Electives.

Once admitted, students are required to complete an orientation and should continue to meet with an advisor as they work toward graduation.

To schedule an appointment or for additional transfer resources and policies see our .

\*Indicates an approved Ferris course substitution

## Reverse Transfer Agreement

Ferris has reverse transfer agreements with several Michigan Community Colleges. Under such agreement, Ferris will provide your official University transcript to a partner school you have attended, so that they may grant you an associate or bachelor's degree upon completion of sufficient and appropriate credit hours from both institutions. In turn, the degree-granting institution will provide Ferris with an updated transcript reflecting the newly earned credential.

## Michigan Transfer Agreement (MTA)

Ferris participates in the Michigan Transfer Agreement (MTA). This agreement will facilitate the transfer of general education requirements from one Michigan institution to another. Students may complete the MTA as part of a degree program or as a stand-alone package. The MTA consists of a minimum of 30 general education credit hours as identified by the college or university.

Students transferring to Ferris with the Michigan Transfer Agreement (MTA) and entering a degree program will have met a 30-hour block of lower-level general education courses. However, this does not exempt students from completing program-specific prerequisites or higher-level general education course requirements. Students should contact their advisor regarding classes that meet the MTA.

## Transfer Equivalencies Tools

The transfer equivalencies link is located in the Transfer Resources section at .

## Disclaimer

Transfer guides are not intended to be a contract with Ferris. The information in this guide is subject to change and is aligned with the catalog year listed above. Students should contact their community college and/or
